# From Design & Concept to Actual Delivery of Project

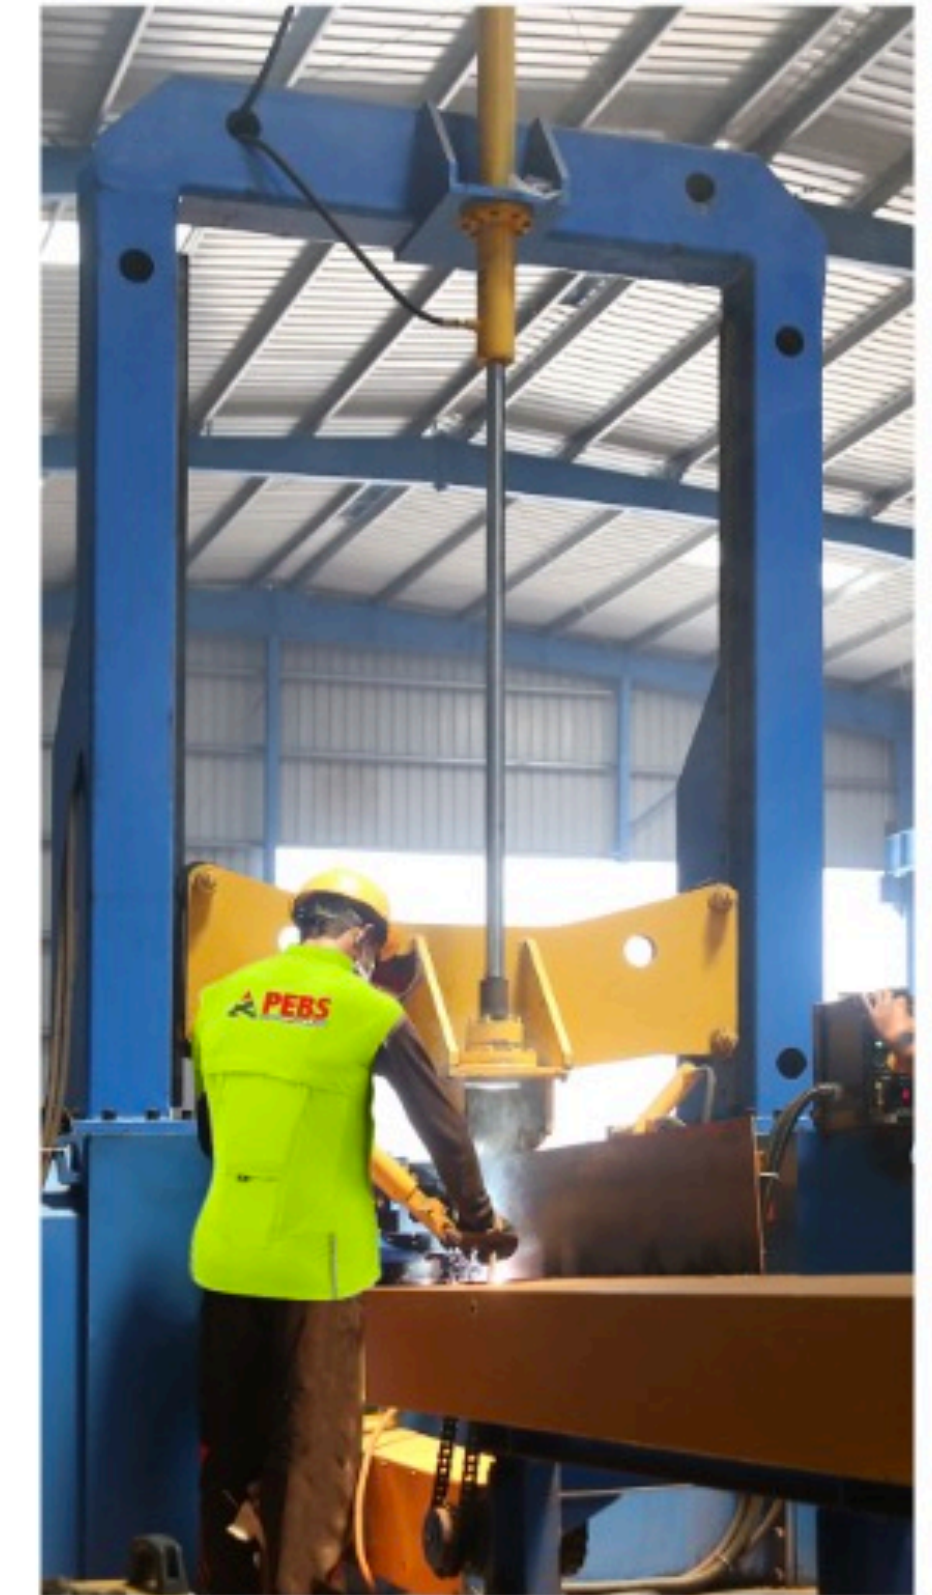

## End to End PRE-FAB Solutions

PEBS by Ittefaq Group, an established brand with a firm-footing in the construction industry. PEBS' mission is to provide an end-to-end solution from the initial phase of concept and design to the actual delivery of the building.

Our design team conceptualizes the building keeping the usage and functionality in the mind and continuously focuses on optimization, making it efficient and smart in many ways; think budget-friendly buildings that are energy efficient and save a tonne of time during project development.

Smart Buildings, Smarter Solutions.  
PEBS by Ittefaq Group.

## Who We Are?

A payment infrastructure helping businesses uncover savings and enhance technology. Tilt builds custom payment processing solutions based on our customer's needs. All done within our one platform with a single plugin.

## Our Process is Simple

### Stop over paying for credit card processing.

Contracts are outdated and are not required. Don't let processors hold you hostage

#### Currencies Supported

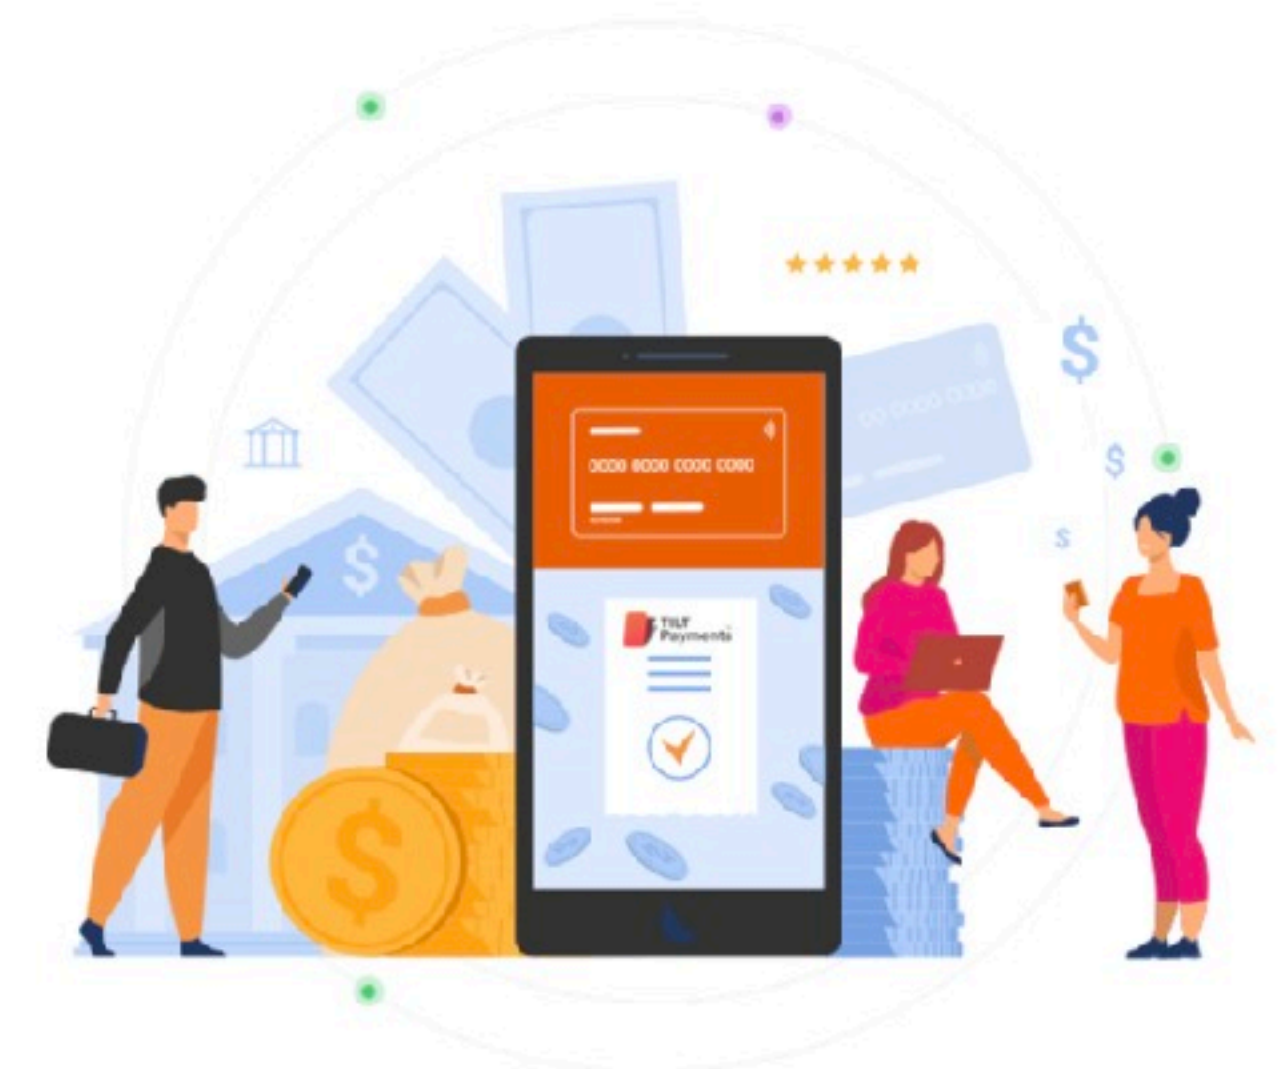

Help TILT understand your needs. What do you have in place? What can we improve?

#### Review

We will review your last 2-5 months of processing statements and the existing processing environment.

#### Solutions

We will build a tailored solution by shopping our partners and finding you the best fit.
